BOOK SYNOPSIS

VOLUME 1 of 2 / 300 PAGES / 700 IMAGES . From the days of the American Revolution, to the Jacobin French Revolution, to the coalition wars against Napoleon, to Andrew Jacksons war on the Central Bank, to Karl Marxs war on sanity, to the U.S. Civil War, to the Reds shocking wave of 19th century assassinations, to the conspiratorial founding of the Federal Reserve, to the horrific First World War to enslave Germany, to the Rothschild-Communist subversion of Russias Czar, to the horrible World War against Hitler and Japan, to the Cold War, to the JFK assassination, to the "womens movement" to the Global Warming Hoax, to the "fall of communism," to the 9/11 attacks & the "War On Terror," and finally, to the looming confrontation with Russia and China - the common thread of the New World Order crime gang links all of these events together. At the heart of this self-perpetuating network sits the legendary House of Rothschild - the true owners of Planet Rothschild. Though an alliance with other billionaire families, universities, corporations, think tanks and media moguls worldwide; the cabal has, for 250 years, manipulated world events and political players like so many pawns on a global chessboard. Now, you can earn your Phd in NWO studies by reading the epic two-volume timeline thriller - PLANET ROTHSCHILD. It is a unique "blurb by blurb" chronological and photographic review that will enrich your depth of historical knowledge like no other work of its kind.

***** "Absolutely mind bending research... I was hooked immediately! I had studied the NWO for years but had no idea of so many of the critical events revealed in PLANET ROTHSCHILD." - Carl Norris, Davenport, Iowa
